

## Call for Nominations for the Spring 2012 Election

Nominations are now open for **five** positions with the Colorado Council of Teachers of Mathematics (CCTM). This will be an important year for CCTM elections since so many positions are available. This is your opportunity to nominate someone who is willing to work for our professional organization and give something back to the Colorado Mathematics community. Or you can nominate yourself! This is a great chance to be involved and influence the future path of CCTM. Elections will be held in the spring with all terms of office beginning June 1, 2012.

The offices of president-elect, vice-president, and secretary are open this spring.

The position of **president-elect** involves a four-year commitment. One year will be spent as president-elect, learning about the position of president and assisting the president as needed. Then this person will become president of the Council for two years, serving as executive officer and using his/her leadership skills to provide the continuation, furtherance, and implementation of the purposes of CCTM. A final year will be spent as past president.

The **vice-president** is responsible for overseeing the implementation of the CCTM Constitution and by-laws, providing facilities and sustenance for regular Board meetings, and is the CCTM Board liaison to the Awards Committee. In addition, this person will perform other duties as assigned by the CCTM President and Board. The term of this position is two years.

The position of **secretary** is also for a term of two years. The secretary is responsible for all the general records of CCTM, including the recording and reporting of the minutes of meetings, and is the custodian of all corporate records. In addition, s/he will provide communications and reports as required and requested.

**Two regions have openings for representatives.** Representatives serve for a three year term and will represent their region at all Board meetings, promote membership in the Council, and encourage the support of Council activities.

The first region in need of representation is **Region 2** which encompasses schools in Boulder Valley, Jefferson County, Gilpin and Clear Creek School Districts.

The second region is **Region 5**. Region 5 includes schools in the southern counties of Baca, Prowers, Kiowa, Cheyenne, Kit Carson, Lincoln, Crowley, Bent, Otero, Las Animas, Huerfano, Pueblo, Costilla, Alamosa, Conejos, Rio Grande, Mineral, Saguache, Custer, Fremont, Park, and Lake.
